Dear West Sechelt Elementary Community:

## Staff Neighbourhood Parade: Friday, May 1

The staff miss the students and so, at the urging of Mrs. Andres, we would like to invite you to our neighbourhood parade. On Friday morning at 11:30 AM, the staff will depart the parking lot at Chatelech Secondary and drive a parade of over 30 cars along a route inside the school catchment area. We won't be able to make it onto EVERY road, but we will hit most parts of the neighbourhood. If you see on the map below that we will miss your street, please make your way safety to a location we will pass. We ask everyone to take care with their physical distancing, but hope you can make it out to give us a shout and a wave!

Mr. and Mrs. Allen have driven the route and expect that it will take 30-45 minutes for us to finish at the bottom of Wakefield Road. If you have any questions, please call Mr. Marshall at (604) 989-5763.
